

**Position: PhD position in the project: “Evolutionary approach to functional analysis of genome”**

**Number of positions: 1**

**Institution:** Institute of Biochemistry and Biophysics, Polish Academy of Sciences, Warsaw

**Maximum period of position agreement:** 33 months (Fellowship)

**Position starts on:** June 2015

**Fellowship amount:** 3 000 PLN/ month

One PhD position is available to work on a project within the framework of a OPUS grant awarded by the Polish National Science Centre.

**The project:**

The aim of the project is to analyze the evolutionary consequences of an important type of epistatic interaction that has so far been unnoticed: the compensation of a gene deletion by another deletion.

**Profile of candidates:**

- Master’s degree in life science discipline or related
- scientific achievements
- experience in work with bioinformatics and/or evolutionary biology
- independent thinking in experiment designing
- high capability in managing parallelly several projects
- willingness to collaborate with other scientists and foreign laboratories
- good written and verbal English

**Required documents:**

1. Motivation letter addressed to the Director of the Institute of Biochemistry and Biophysics PAS.
2. CV containing description of scientific achievements
3. A copy of the master’s degree certificate.

**Application** in English should be sent to dr. hab. Szymon Kaczanowski e-mail: [szymon@ibb.waw.pl](mailto:szymon@ibb.waw.pl). Please include the required documentation and a contact of at least one potential reference.

Important: All applications must contain the following statement to allow us process your data: "I hereby give consent for my personal data included in the job offer to be processed for the purposed of recruitment under the Data Protection Act 1997 (Dz. U. 2002 no. 101, item 926 with subs. changes)."

**Principal Investigator:** dr. hab. Szymon Kaczanowski

**Address for applications:** [szymon@ibb.waw.pl](mailto:szymon@ibb.waw.pl) The granting institution may seek to contact the best candidates only.

**Closing date: 20.04.2015 (and after that date until suitable candidates are found)**
